December 11, 1978
Monday

Dear Mr. Heisberg,

Cleaning out drawers has produced clippings I've been meaning to send.

One is recent, dated 12/9/78.

My seven year old daughter, and five year old son helped me put up and decorate our Christmas tree last night. They're enjoying this Holiday Season!

Wishing you and your wife, a Merry Christmas.

Sincerely,

Barbara G. Riley
